## Work Experience

---

### Mallige medical Centre

June 2005 – March 2006

I worked as a casualty medical officer and ICU registrar. I handled emergencies under the guidance of my seniors. It was here that I developed my liking to anesthesia and critical care.

### Fortis Hospital Sheshadripuram

Feb 2009 – Jan 2010

Here I was a registrar in ICU working with multiple specialties to provide utmost care to the patients.

### Columbia Asia Hospitals

Sep 2013 – Oct 2016

I worked as a Junior Consultant in Anesthesiology at Columbia Asia Hospitals, Yeshwantpur and Hebbal, from Sept 2013; I have dedicated my interests to providing safe and quality anesthesia for surgical patients in the operating theatre. I developed a special interest for regional anesthesia during this period.

### People Tree Hospital

Oct 2016 – till date

I am working as a consulting anaesthesiologist and intensivist providing safe and quality anesthesia care to all patients and managing critical care patients.

## Medical Registration

---

KMC registration number **71642** dated 1/06/2005. I have also renewed my registration in May 2016

## Skills

---

I am proficient at administering safe and quality anesthesia for a variety of surgical cases, including orthopedics & trauma, neurosurgery, urology, pediatric surgery, obstetrics & gynecology, transplant surgery, ophthalmology, bariatric, plastic and reconstructive surgeries, laparoscopies and ENT. I have been practicing and have developed a passion for ultrasound guided regional anesthesia in the last few years and mesmerized by the way regional anesthesia has been metamorphosing.
